Complete the developer_guide/runtime_hooks.odt. I have checked in a new version and have added notes in there regarding the sections that need to be written. Please write sections for:

- security resource and rights plugins
- authentication plugins
- password change plugin
- user account extensions
- admin UI extensions

If you know of some plugins/hooks that we provide but which are not listed and which are not already documented, please let me know.

#2 - 10/23/2012 11:46 AM - Stanislav Lomany

- Status changed from WIP to Review

#3 - 11/01/2012 09:16 AM - Greg Shah

- Status changed from Review to Closed

- % Done changed from 0 to 100

I cleaned up some grammar and phrasing and checked it an updated version. VERY GOOD WORK!!!!
