History

#1 - 10/30/2012 06:00 AM - Ovidiu Maxiniuc

The output is slightly different:

- on P2J as the DISPLAY from line 23 output is overwritten by the next call.
- on Progress each output goes to a newline.

P2J simply ignore any SKIP(n) clauses.
It may be related to the localization of the DISPLAY statement in the test0 procedure.

#2 - 10/30/2012 06:02 AM - Ovidiu Maxiniuc

- File skipfail.p added

- File Progress_Output.png added

- File P2J_Output.png added

#3 - 11/01/2012 01:28 AM - Eric Faulhaber

- Start date deleted (10/30/2012)
