#### History

##### #1 - 10/30/2019 10:38 AM - Greg Shah

The CONNECT statement can have a .pf file specified as an option. At runtime, this must be read from the filesystem and the options inside that file need to be processed.

##### #2 - 04/24/2020 11:46 AM - Greg Shah

- Assignee set to Igor Skornyakov

I think I mistakenly assigned you [#4392](#) previously, but meant for you to work this one.

##### #3 - 04/24/2020 11:46 AM - Greg Shah

- Related to Feature #3813: misc DB features part deux added

##### #4 - 04/24/2020 01:11 PM - Igor Skornyakov

This was done in the scope of [#3813](#).

##### #5 - 04/24/2020 01:12 PM - Greg Shah

Are the changes in 4231b?

##### #6 - 04/24/2020 01:13 PM - Igor Skornyakov

I do not remember. I think that they are in the trunk already.

##### #7 - 04/24/2020 01:29 PM - Greg Shah

- Status changed from New to Test

- % Done changed from 0 to 100

It looks like rev 11369 of 4231b.

As you develop changes for a task, please keep the % Done and Status updated. For example, when needing a code review, put it in Review status. When the task is fully developed and has passed your testing, then it should be listed as 100% Done.

Also, please post to a task to describe when you check in changes that that work, and in what branch + revision. This lets future readers understand what work was done without asking any questions.

Greg,

I was working on this in the scope of [#3813](#) and posted everything to this task.

**#9 - 06/20/2020 11:56 AM - Greg Shah**

- Status changed from Test to Closed

Task branch 4231b has been merged to trunk as revision 11347.
