History

#1 - 10/25/2023 10:40 AM - Greg Shah

- Related to Feature #7037: remove dirty share manager added

#2 - 10/25/2023 10:42 AM - Greg Shah

- Related to Feature #7964: investigate the benefits of disabling cross-session features of the dirty share database (without completely eliminating all dirty share functionality) added

#3 - 10/25/2023 10:49 AM - Greg Shah

Test the existing #7037 features and any new #7964 features with each of our existing customer applications to see if we can get a performance benefit by disabling some or all of the dirty share database functionality.
